Question: How?

Answer: A Simple 3-Part Plan

Perspective-check: Do our places of worship reflect the statistics of the general population? Would a family have to take turns attending your congregation? Does everyone need to be trained in disability to have a role in this plan? Who needs to be part of this plan in your community?

Part 1: Puzzle Piece Perspective

Blessing "Bless You"	Praise "Love You"	Service "What Can I Do?"	Thanksgiving "Thank You"
Petition "Help!"	Illumination "I'm Listening"	Confession "I'm Sorry"	Lament "Why?"

Part 2: Participation through Universal Design

- Access to places and programs
- Options, senses
- Vertical Habits

Part 3: Personalization by Responsive Design

- A process: direct, define, design, draw together, distribute (with permission!), debrief
- Intake form, Get to Know Me
- Coordinator
- Interdependent Community Teams
